SUBJECT INDEX

- abdominal aorta
aneurysm, repair and rupture 203
infected aneurysm, in AIDS patient (Case Report) 225
intra-abdominal pressure and renal function after surgery (Surg. Research) 213
trauma, blunt 347
- abdominal closure, sequential laparotomy and zipper for 467
- abdominal surgery, prophylaxis with antimicrobial agents for (abstr.) 714
- abdominal wound dehiscence (Editorial) 153
- abscess, pyogenic liver 893
- abstracts, 1990 Surgical Research Society of Australasia meeting (Surg. Research) 705
- academic anaesthesia, in Australia (Surg. History) 475
- activity changes after surgery for morbid obesity 755
- acute cholecystitis, antibiotic regimens for (Surg. Research) 539
- acute flexor tenosynovitis, from *Streptococcus pneumoniae* (Case Report) 993
- acute trauma, interhospital transfer for 441
- Adelaide, the Study, weight loss after gastric partitioning (abstr.) 714
- adenocarcinoma
of bladder, with pelvic lipomatosis, cystitis cystica and cystitis glandularis (Case Report) 229
- adenoma, sessile, rectal 883
- adenomatous polyposis, quality of life after proctocolectomy 683
- advanced surgical training (Editorial) 655
- aerocele, intracranial, with frontal sinus osteoma (Case Report) 66
- aetiology
bowel cancer (Review) 11
Dupuytren's contracture (Review) 247
pancreatitis and pancreas divisum 899
pyogenic liver abscess 893
ulcerative colitis (Review) 167
- ageing population, aneurysm repair and aortic rupture 203
- AIDS
and infected abdominal aortic aneurysm (Case Report) 225
hazards to surgeons, work practices (Editorial) 563
safe surgical technique (Personal View) 567
alanine, and glutamine release during IVN (abstr.) 706
- alimentary cancer, epidemiology in NSW 1973-82 93
- alimentary tract, reconstruction after distal subtotal gastrectomy (Surg. Technique) 719
- allograft
cultured keratinocyte (abstr.) 710
cardiac, prolongation by misoprostol (abstr.) 710
femoral head, bone banking 267
- amino acids, colonic anastomoses (abstr.) 713
- ampulla of Vater, avulsion in blunt trauma (Case Report) 393
- anaesthesia, academic, in Australia (Surg. History) 475
- analgesia, interpleural catheter after cholecystectomy 689
- anastomosis
colonic, amino acids in healing (abstr.) 713
craft workshop (Surg. Education) 943
non-suture, development (Surg. History) 625
- aneurysm
infected abdominal aortic, in AIDS patient (Case Report) 225
aortic, and horseshoe kidney 963
repair and aortic rupture 203
- Angelchik prosthesis, migration (Case Report) 913
- angiography
and assessment of arterial reconstruction 275
transfemoral, arteriovenous fistula following (Case Report) 549
- angiosarcoma, bilateral, of the breast 341
- animal model, of unilateral cryptorchidism (Surg. Research) 905
- anorectal abscess, incision and packing versus de Pezzer catheter drainage (Surg. Technique) 129
- anorectal varix, bleeding (Case Report) 404
- anterior mediastinum, yolk sac tumour (Case Report) 635
- anterior spinal fusion, resorption of fragments (Case Report) 142
- antibiotic, prophylaxis for prosthetic infection 177
- antimicrobial agents, with prophylaxis for abdominal surgery (abstr.) 714
- antireflux surgery, reoperation for failed 773
- aorta
intra-abdominal pressure and renal function after surgery (Surg. Research) 213
protein changes following reconstruction (Surg. Research) 209
- aortic aneurysm
infected abdominal, in AIDS patient (Case Report) 225
and horseshoe kidney 963
- aortic rupture and aneurysm repair in ageing population 203
- aortic trauma, blunt abdominal 347
- aorto-gastric fistula following Nissen fundoplication (Case Report) 823
- Archibald Watson Lecture, technology and surgery 163
- architecture, venous, of muscles (abstr.) 709
- arterial compromise, due to thoracic outlet syndrome (Case Report) 1000
- arterial intimal hyperplasia, and atherosclerosis (Review) 79
- arteriovenous fistula and transfemoral angiography (Case Report) 549
- arthritis, with arthrocutaneous haemangiomatosis (Case Report) 725
- articular defects, MRI detection (Surg. Research) 977
- ascites, malignant, photodynamic therapy (abstr.) 712
- aspirin-related bleeding after bypass, desmopressin for (Surg. Research) 125
- atherosclerosis and arterial intimal hyperplasia (Review) 79
- audit
of percutaneous renal surgery (Editorial) 833
system and vascular database 519
- Australia, radiation oncology facilities (Pers. View) 571
- autotransfusion
cell washing and elastase levels (Surg. Research) 613
intra-operative red cell salvage 959

- autotransplants, structure of splenic (abstr.) 713
 avulsion of ampulla of Vater in blunt trauma (Case Report) 393
- bacteraemia and the colorectal surgeon (Case Report) 550
- bacterial infections
 antibiotic prophylaxis for prosthetics 177
 spontaneous bacterial peritonitis (Case Report) 723
- balloon catheter dilatation
 of biliary strictures 361
 of cervical oesophageal stricture (Case Report) 307
- balloon cuff compression of vascular shunt (abstr.) 706
- bandages
 Opsite, scarlet red and bupivacaine for skin donor site pain (Surg. Research) 617
- basal cell carcinomas 855
- beer consumption and bowel cancer (Review) 11
- bilateral angiosarcoma of the breast 341
- bilateral elbow dislocation (Case Report) 553
- bile, limy and cholecystitis (Case Report) 998
- bile duct, ultrasound measurement for cholangiography 189
- biliary cystadenoma, excision (Case Report) 226
- biliary pancreatitis
 management strategy 589
 common duct exploration 103
- biliary strictures, balloon dilatation of 361
- biopsy
 and needle localization of mammographic lesions 337
 for thyroid nodules 879
- bladder
 adenocarcinoma with pelvic lipomatosis, cystitis cystica and cystitis glandularis (Case Report) 229
- bleeding
 anorectal varix (Case Report) 404
 gastrointestinal, blood ordering for 351
- blood salvage, cell washing and elastase levels (abstr.) 717
- blood testing, faecal occult, for colorectal cancer 451
- blood transfusion
 intra-operative red cell salvage 959
 perioperative
 and cancer recurrence (Editorial) 743
 and gastric cancer 765
- blood vessels, structure and function (Review) 747
- blunt abdominal aortic trauma 347
- body protein following aortic reconstruction (Surg. Research) 209
- bone banking, femoral head allograft 267
- bone banks (Editorial) 241
- bone graft, resorption of fragments (Case Report) 142
- book reviews 71, 145, 235, 315, 407, 491, 557, 643, 737, 829, 925
- bowel
 canine model for IBS (abstr.) 716
 Clofazime discolouration (Case Report) 638
 post-irradiation obstruction (Case Report) 136
- bowel cancer
 aetiology of (Review) 11
 staging 261
- bowel obstruction, complicating Hodgkin's disease 585
- branched chain amino acids
 colonic anastomosis healing (abstr.) 713
 infusions and wound healing (Surg. Research) 471
- breast cancer
 bilateral angiosarcoma 341
 carcinoma (Case Report) 917
 chromosomal alterations in (Review) 327
 environmental factors and prognostic indices (abstr.) 709
 examination and primary cancer 455
 hypernephroma as lump (Case Report) 305
 in Papua New Guinea, epidemiology 41
 lymph node immunohistochemistry and staging of (abstr.) 707
 needle localization and biopsy of lesions 337
 oncogene expression of prognostic factors (abstr.) 707
 postmenopausal women 673
 presentation 665
 tamoxifen, oestrogen binding and serum lipids 919
- bupivacaine, for skin donor site pain (Surg. Research) 617
- bypass
 cardiopulmonary, desmopressin for bleeding (Surg. Research) 125
 in situ, saphenous vein (Surg. Research) 983
- cancer
 alimentary, in NSW 1973-82 93
 bowel, aetiology of (Review) 11
 breast — see breast cancer
 care in Australia, facilities (Pers. View) 571
 colon, xenografted collagen cultures for human cell line (abstr.) 710
 colorectal
 sigmoidoscopic screening 87
 resection 261
 faecal occult blood testing 451
 early gastric 865
 review 99
 hypernephroma as breast lump (Case Report) 305
 large bowel, staging 261
 recurrence and perioperative blood transfusion (Editorial) 743
 cancer screening, colorectal (Editorial) 415
 cancer surgery (Pers. View) 243
- canine
 model for irritable bowel syndrome (abstr.) 716
 gastro-sphincteric reflexes (abstr.) 716
- carcinogenesis, colorectal, aetiology (Review) 11
- carcinoma
 basal cell, analysis and behaviour 855
 impalpable breast, diagnosis (Editorial) 323
 reconstruction after gastrectomy (Surg. Technique) 719

 self-examination and primary breast cancer 455
 separation of conjoined twins (Case Report) 59
 sequential laparotomy and zipper closure for peripancreatic sepsis 467
 serotomy for post-irradiation bowel obstruction (Case Report) 136
 sessile adenoma of rectum 883
 sheep carotid artery, graft infection model (Surg. Research) 801
 sigmoid volvulus mimicked by transomental herniation (Case Report) 133
 sigmoidoscopic screening for colorectal cancer 87
 silicon balloon cuff, compression of vascular shunt (abstr.) 706
 sinus
 CT and standard radiographs 25
 frontal osteoma, with complicating intracranial arachnoid (Case Report) 66
 skin flaps, effect of thromboxane synthetase inhibitor on tolerance 293
 skin transplantation, dressing regimens for painless donor sites (Surg. Research) 617
 small bowel
 herniation through mesentery defects (Case Report) 396
 obstruction
 longitudinal serotomy for (Case Report) 136
 complicating Hodgkin's disease 585
 socio-economics of surgery (Pers. View) 9
 soft tissue sarcoma management (Gordon Bell Memorial Lecture) 419
 sphincter of Oddi and gall-bladder, neural projections to (abstr.) 716
 spinal fusion, resorption of graft fragments (Case Report) 142
 splenectomy, prophylaxis for pneumococcal infection 183
 splenic autotransplants, structure (abstr.) 713
 spontaneous bacterial peritonitis (Case Report) 723
 spontaneous paracentesis following ruptured umbilical hernia (Case Report) 555
 staging
 breast cancer presentation 665
 lymph node immunohistochemistry (abstr.) 707
 large bowel cancer 261
 Staphylococcus aureus, vascular graft infection sheep model (Surg. Research) 801
 starvation, amino acid infusions and wound healing (Surg. Research) 471
 stereotactic radiosurgery in Australia (Point of View) 499
 stomach carcinoma 759
 Streptococcus bovis bacteraemia and the colorectal surgeon (Case Report) 550

- Streptococcus pneumoniae* and flexor tenosynovitis (Case Report) 993
- structure and function of blood vessels (Review) 747
- subarachnoid haemorrhage due to cauda equina haemangiopericytoma (Case Report) 69
- 'sump syndrome', post-choledochostomy 109
